## Biography:

Erin began her career in office administration with HMA Land Services and has since developed into a Land Administration Manager. Throughout her years at HMA, Erin has played both administrative and leadership roles in numerous pipeline, exploration, and operational projects. Erin has extensive experience and knowledge of crown and freehold lands in Alberta, British Columbia and Saskatchewan, including acquisition, third party crossings, registration of land agreements, damage settlements, reclamation, and facility maintenance.

Erin is a driven and dedicated leader with strong client focus delivering our customers the best service possible. Erin is an up and coming leader of the Calgary administration team at HMA and looks forward to many more years of growth and development of HMA Land Services Ltd.

## Experience and Competencies:

- Bachelor of Kinesiology degree from the University of Calgary
- Onsite regulatory and process training from members of British Columbia's Integrated Land Management Bureau and Oil and Gas Commission
- Lead land administrator on SemCAMs Redwillow NEB pipeline project
- Extensive knowledge of BC land titles and ILMB crown process
- Successful acquisition and registration of oil and gas facilities in North East BC
